I do have some suggested changes. I will either call (if this ends soon) or will have kelly transmit my questions.

Hi there= I've accepted most of the comments I've received for these responses. Here is the latest version.... David/Dom please review my changes to the response to question 5. I've left Doms comments in for your review, but I think they are too detailed for what we need and provide good context if we get follow-ups. I just wanted you to see them.

Cindy-- can you give me the final go ahead on this?

Thanks!
